

JOIN US AND HELP ENGINEER THE FUTURE

We bring real world experience to the young people with whom we work. We teach appreciation for their surrounding infrastructure, the amazing work that comprise our cities and towns, and the people behind the scenes making life for everyone better. We introduce them to the exciting world that underlies the creation of roads, bridges, dams, water treatment plants, and so much more. Please help by:

- Sponsoring these contests
- Volunteering to help with these contests or any other of our many outreach activities.
- Staying posted by:
 - Getting on the email list - contact reed.brockman@aecom.com
 - Joining the Facebook group "Engineer your future"
 - Following "@Engineeryrfulur" on Twitter
 - Visit www.engineeryourfuture.org

Iron Man, our favorite engineer superhero helping a fellow masked crusader at the West End Festival!

Sponsorship Form

Complete form below and send to
The Engineering Center
1 Walnut St., Boston MA 02108

Attn: Richard Keenan

Email: rkeenan@engineers.org

Phone: 617/227-5551

Fax: 617/227-6783

To pay by credit card, contact TEC by phone, fax, or email.

And MUCH MORE!

The Boston Society of Civil Engineers is at the forefront of engineering related pre-college educational outreach, not only locally but internationally. By sponsoring these contests/events, you are providing a great opportunity to students. These students don't just compete for prizes, we bring to them true hands-on experiences through which they learn appreciation for both engineering and our infrastructure.

Some of the many participants from our 2010 Model Bridge Competition!

The contests/events that your sponsorship will help fund are **ThinkFest, The Future City Competition, The Model Bridge Competition, and the Ralph Salvucci Online Bridge Competition.**

All contests integrate hands-on activities, mentoring opportunities, school visits, and much more. Sponsorships are at four levels: **Bronze, Silver, Gold, and Platinum.**

Please consider sponsorship as the awards of being a Sponsor are endless and include investing in the futures of our young and talented students!

Volunteers are in an extreme need, also!

We need your help!

Volunteer and GET A DISCOUNT!

Any sponsoring entity with two or more employees volunteering as a mentor, planning committee member, or otherwise dedicating on average one or more hours per week, we applaud you by discounting the price of your sponsorship by \$250.00!

BSCES Contest Sponsorship Levels

Sponsorship Benefit		Platinum	Gold	Silver	Bronze
		Level	Level	Level	Level
		\$1500	\$1000	\$750	\$500
Future City Competition	An award will be named for your organization, and a representative for your company will be given stage time to speak to the students along with that presentation.	✓	✓	↑ Pick any combination of TWO events. ↓	↑ Pick any ONE event. ↓
	Your organization may have a promotional table at the competition.	✓	✓
