Science and Engineering Fair

NEW ENGLAND
ThinkFEST
2008

Saturday, March 29, 2008
at Merrimack College
10 a.m. - 2 p.m.

- ▶ **LEARN** about engineering, science and technology through students and professors from schools all over New England and beyond
- ▶ **MEET** some of the brightest engineers and scientists from all over New England as they aid you in design challenges.
- ▶ **WATCH THE Merrimack College Scholarship EGG CATAPULT COMPETITION**

Students will compete with Trebuchet-style catapults which they have designed and built that will throw an egg into a frying pan up to sixty feet away.

**FEATURING
HANDS-ON
ACTIVITIES
FROM THE
PBS SHOW
“DESIGN
SQUAD”!**

Check out the Fair on the web or email/call us today!
